- (8) Receipts from weighing, and food, drink and tobacco vending machines, amusement devices, public telephones and snack bars, where such snack bars are operated for the use of TENANT's employees only; and
- (9) Sales made through the Commercial and Industrial Sales Department of TENANT.

The phrase "sales made through the Commercial and Industrial Sales Department of TENANT" shall mean sales for industrial or institutional use, sales in bulk or substantially larger quantities than are included in ordinary sales at retail, sales to Federal, State and Municipal Governments and the various departments, branches and agencies thereof, and sales of any other character not normally made by TENANT in the ordinary conduct of its retail department store business and mail order business, which are made by the Commercial and Industrial Sales Department of TENANT.

8.4 The audits and annual accounts of TENANT's "Net Sales", as above defined, made upon the Leased Premises, and the calculations of rent thereon paid to LANDLORD annually, shall be certified by a responsible official of TENANT and submitted to LANDLORD within thirty (30) days after the end of each "Lease Year" of the Term hereof, accompanied by payment of the balance, if any, of rents then shown to be due to LANDLORD under the provisions of Paragraph 8.1 (b) of this Article for the "Lease Year" upon which such accounting is made. Each such annual statement shall show the following items for such "Lease Year":

Each such annual statement of audits, accounts and calculations shall be deemed stated, accepted and final unless objected to and reaudited or recalculated, as hereinafter stipulated.

8.5 In the event LANDLORD is not satisfied with such annual audit, account or calculation, and gives TENANT written notice to that effect within eighteen (18) months after LANDLORD's receipt thereof, then LANDLORD shall have the right, within sixty (60) days thereafter, at LANDLORD's expense, to cause any reputable certified public accounting firm, mutually satisfactory and approved in writing for that purpose by both Parties to this LEASE AGREEMENT, to reaudit the "Net Sales", as herein defined, made by TENANT upon the Leased Premises during the period covered by such annual audit and account and to recalculate said rents payable for such period, and such reaudit and recalculation shall be accepted by Parties to this LEASE AGREEMENT as final.

8.6 TENANT makes no representation or warranty as to the sales which it expects to make upon said Leased Premises, and LANDLORD agrees to hold in confidence all sales figures and other information with respect to TENANT's business, which may be obtained from TENANT or by means of any inspection or audit of TENANT's books and records.

8.7 Notwithstanding any other provision herein contained, in the event TENANT shall, after the first:

FIFTEEN (15) years of the Term hereof, elect to close its retail department store in the Leased Premises, in such event, TENANT shall remain responsible for the payment of annual rent which shall be the lesser of "the average annual rent of the total rent paid during the immediately preceding three (3) Lease Years".

Article 10 Abandonment or Holdover

Paragraph

10.1 Subject to the provisions contained in Paragraph 8.7 of Article 8 of this LEASE AGREEMENT, if TENANT abandons said Leased Premises, LANDLORD shall, without limiting any of its remedies, use its best efforts to relet the same for retail purposes and for the best rent obtainable, and if the total amount received by LANDLORD from such reletting, collecting and necessary repairs, does not equal or exceed the Base Rent paid to LANDLORD under the provisions of "Term and Rent Article 8 Rent" and the Common Area and Mall maintenance charges, if any, last paid to LANDLORD under the provisions of "Construction Article 13 Mortgage" prior to such abandonment, then TENANT agrees to pay, as damages, all such deficiency.

10.2 LANDLORD shall have, and is hereby granted, the option to terminate this LEASE AGREEMENT at any time after abandonment, if any, by TENANT of the Leased Premises, by giving TENANT at least thirty (30) days' prior written notice of its intention so to terminate. In the event TENANT does not vacate the Leased Premises upon the termination of this LEASE AGREEMENT, such fact shall constitute a tenancy from month-to-month, unless the Parties hereto mutually agree, in writing, to the contrary.

Construction

Article 11 Leased Premises

Paragraph

11.1 The Parties hereto shall jointly approve, designate and appoint promptly after the execution of this LEASE AGREEMENT, the registered, professional architect and/or engineer who shall be:

to prepare the Plans and Specifications, supervise the construction and perform the duties of architects and/or engineers, in connection with all construction in this LEASE AGREEMENT provided to be done by LANDLORD. For convenience, the said architect shall be hereinafter referred to as "Architect".

11.2 Within ninety (90) days after the execution of this LEASE AGREEMENT, LANDLORD shall furnish to TENANT preliminary Plans and Specifications, that shall follow specifications furnished LANDLORD by TENANT, for the construction of a retail department store Building and other Improvements upon the Leased Premises, showing the foundations, exterior elevations, floors, dimensions of each floor, position of each floor proposed in all Buildings, the proposed exterior construction materials, and such other proposed construction items, methods and materials as TENANT may deem necessary for its review of the preliminary Plans and Specifications to make its recommendations for development of the semi-final Plans and Specifications hereinafter mentioned. Such

preliminary Plans and Specifications shall be subject to the approval of TENANT, which approval shall not be unreasonably withheld. Within three (3) weeks after receipt by TENANT of such preliminary Plans and Specifications, TENANT shall give LANDLORD written notice of any objections thereto or its approval thereof. If TENANT shall not deliver such notice within such three (3) weeks' period, such preliminary Plans and Specifications shall be deemed to be approved as submitted. If TENANT makes reasonable objections to such preliminary Plans and Specifications and LANDLORD does not make the requested revisions within three (3) weeks after its receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, TENANT may terminate this LEASE AGREEMENT, effective upon delivery to LANDLORD of written notice of termination at any time within ten (10) days after such three (3) weeks' period.

11.3 Within thirty (30) days after approval by LANDLORD and TENANT of the preliminary Plans and Specifications, hereinabove referred to, LANDLORD shall furnish to TENANT semi-final Plans and Specifications, prepared by the "Architect", which shall consist of full working drawings and specifications of all Buildings to be constructed by LANDLORD upon the Leased Premises. Such semi-final Plans and Specifications shall be subject to the approval of TENANT. Within three (3) weeks after receipt by TENANT of such semi-final Plans and Specifications, TENANT shall give LANDLORD written notice of any objections or its approval thereof. If TENANT shall not deliver such written notice within such three (3) weeks' period, the semi-final Plans and Specifications shall be deemed to be approved as submitted. If TENANT makes reasonable objections to the semi-final Plans and Specifications, and LANDLORD does not make the requested revisions within three (3) weeks after its receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, TENANT may terminate this LEASE AGREEMENT, effective upon delivery to LANDLORD of written notice of termination at any time within ten (10) days after such three (3) weeks' period.

11.4 Within a reasonable period of time but not later than ninety (90) days after approval by LANDLORD and TENANT of the semi-final Plans and Specifications, as hereinabove provided for in Paragraph 11.3, LANDLORD shall cause the "Architect" to obtain the written approval of Schirmer Engineering Corporation, 5940 Touhy Avenue, Niles, Illinois, 60648, of the sprinkler drawings in accordance with TENANT's requirements, as set forth in TENANT's "Design Criteria", a copy of which criteria will be furnished to LANDLORD. The approved semi-final Plans and Specifications, incorporating the approved sprinkler drawings, shall be, for convenience, hereinafter referred to as "Final" Plans and Specifications and, when signed by both LANDLORD and TENANT, shall be considered attached hereto, designated "EXHIBIT C", and made a part hereof. There shall be no deviation from "EXHIBIT C" without the written approval of both LANDLORD and TENANT. LANDLORD hereby agrees to construct the Leased Premises in accordance with "EXHIBIT C" and all the provisions of this LEASE AGREEMENT pertaining to such construction. In addition, the "Final" Plans and Specifications shall comply with the applicable requirements of the Protection Mutual Insurance Company (formerly known as "Factory Mutual").

11.5 LANDLORD and TENANT further mutually and expressly agree that:

- (a) "EXHIBIT C" shall be drawn in not less than 1/8" scale and shall be approved by TENANT prior to the commencement of construction;
- (b) A construction schedule is to be submitted to, and approved by, TENANT before commencement of construction;

- (c) TENANT shall be informed of the manufacturer and schedule of delivery of major equipment components;
- (d) TENANT's approval of any Plans and Specifications shall not relieve LANDLORD of LANDLORD's obligations under this LEASE AGREEMENT, or be construed as an assumption by TENANT of such obligations; and
- (e) Neither TENANT nor LANDLORD shall be deemed to be in default under the provisions of this LEASE AGREEMENT by reason of failure to meet the time so long as such Party is continuing to exert its best efforts to comply with such time schedules.

11.6 In the event LANDLORD shall be notified by TENANT, in writing, of unsatisfactory work or materials, or deviation from "EXHIBIT C", or in the event mechanics', materialmen's or laborers' liens shall be placed upon the Leased Premises which may cause unnecessary delay or unfavorable publicity in the construction, and LANDLORD shall fail to correct or discharge the same within fifteen (15) days after its receipt of said written notice, then, and in each of such events, TENANT shall have, and is hereby expressly granted, the right to do so at LANDLORD's expense, and if TENANT shall pay for any expense of correcting or discharging the same, as aforesaid, TENANT shall have the right to reimburse itself for said expenses incurred thereby in the manner hereinafter provided in Article 32. However, anything in this paragraph

to the contrary notwithstanding, LANDLORD shall have the right to protest and/or defend against any claims that may be presented and/or filed against the Leased Premises, provided that LANDLORD shall protect, defend and hold TENANT harmless therefrom, and as long as such protest and/or defense is being carried on in such manner that TENANT's peaceable and quiet possession and/or the use of the Leased Premises are not being disturbed thereby, TENANT shall not have the right to pay for any expense of correcting or discharging the same, as hereinabove provided.

11.7 LANDLORD shall construct and furnish the Leased Premises, without cost to TENANT, with sewer, storm sewer, drainage facilities and such other utility facilities (including, but not limited to, water, gas and electricity) and meters to measure the consumption thereof, as shall be necessary and adequate for the use and operation of TENANT of the Buildings and Improvements constructed on the Leased Premises, all of which shall connect to the municipal facilities and shall meet applicable health department regulations. TENANT hereby agrees to pay for all such utility services, indicated by separate meters, to have been consumed by TENANT during the Term hereof, commencing with the date upon which rent shall be deemed to commence hereunder, all as further set forth in "Operation Article 26 Utilities".

11.8 In the event the construction of the Buildings and Improvements upon the Leased Premises shall not have been commenced by LANDLORD within ninety (90) days after approval by LANDLORD and TENANT of the "Final" Plans and Specifications and LANDLORD's receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, then TENANT shall have the

right, at any time within thirty (30) days thereafter, to cancel this LEASE AGREEMENT, together with all of TENANT's obligations hereunder, by giving LANDLORD written notice of such cancellation. If after the construction of said leased Buildings and Improvements shall have been commenced, such construction is not prosecuted diligently and continuously, in accordance with current accepted standards of construction, thereafter to:

JANUARY 1, 1979,  
and LANDLORD's receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, then TENANT shall have the right, at any time within thirty (30) days after said date, to cancel this LEASE AGREEMENT, together with all of TENANT's obligations hereunder, by giving LANDLORD written notice of such cancellation. In the event the erection of all Buildings and Improvements upon the Leased Premises, as herein provided to be erected, have not been completed and the Leased Premises delivered to TENANT on or before:

MAY 1, 1979

and LANDLORD's receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, then TENANT shall have the right at any time after said date, until said Buildings and Improvements shall have been completed and the Leased Premises so delivered to TENANT, to cancel this LEASE AGREEMENT, together with all of TENANT's obligations hereunder, by giving LANDLORD written notice of such cancellation.

11.9 However, in the event LANDLORD's failure to continue construction of the Leased Buildings and Improvements to:

JANUARY 1, 1979,

or in the event LANDLORD's failure to complete the construction of said Buildings and Improvements on or before:

MAY 1, 1979,

as hereinabove provided in Paragraph 11.8 shall be on account of delay occasioned by acts of God, accidents, strikes,

floods, inclement weather, fire or other casualty, or unavailability of labor or necessary materials, restrictive governmental, judicial, administrative or legislative orders, rulings, and regulations, said date, or dates, shall be extended by the period of such delay, but in no event shall either the continuance of construction date or the delivery date specified in Paragraph 11.8 above be extended more than one (1) year in the aggregate by the provisions of this Paragraph 11.9.

11.10 In the event of any labor dispute in connection with the construction of the leased Buildings and Improvements, LANDLORD agrees to use LANDLORD's best efforts to promptly adjust and settle the same, in order to avoid unfavorable publicity and unnecessary delay in a manner satisfactory to TENANT.

11.11 LANDLORD agrees to comply with all Federal, State and local laws, ordinances, regulations, permits, rules and regulations applicable to the Leased Premises and to the Shopping Center in connection with any demolition, construction, alteration or repair work done by or for LANDLORD on the Leased Premises or in the Shopping Center.

11.12 In the event the Buildings or Improvements of the Leased Premises have not been completed, all as herein provided, and possession thereof delivered to TENANT on or before:

MAY 1, 1979,

then TENANT shall have the right, upon fifteen (15) days' written notice to LANDLORD, to elect to take possession of the Leased Premises (without affecting the date of the commencement of the Term hereof) complete the Buildings and Improvements of the Leased Premises in accordance with the Plans and Specifications therefor, and recover TENANT's costs and expenses incurred thereby in the manner hereinafter provided in "Operation Article 32 TENANT's Right of Reimbursement".

11.13 LANDLORD shall permit TENANT, at TENANT's option and without charge, to have access to said Buildings during the progress of construction, and before the commencement of the Term hereof, for the purpose of installing fixtures and equipment, storing, removing and shipping merchandise, supplies and equipment, and, otherwise, making the Leased Premises ready for TENANT's operations, but in so doing, TENANT shall not unreasonably interfere with the completion of said Buildings or Improvements by LANDLORD. During such times as TENANT is so engaged, LANDLORD shall not be liable for injury to person, or damage to, property (except such injury or damage as shall be covered by insurance) of TENANT, its employees, licensees, or invitees, occurring upon the Leased Premises, unless such injury or damage be caused by the negligence or omission of LANDLORD, or of LANDLORD's employees, agents, servants and/or contractors.

11.14 Until such time as LANDLORD has completed construction of the Leased Premises, as herein provided, and TENANT has accepted possession thereof, the risk of loss or damage to TENANT's merchandise and fixtures occasioned by fire or other casualty embraced within the perils insured against under a standard policy of Builders' Risk insurance shall be borne by LANDLORD, and LANDLORD hereby agrees to obtain, or cause to be obtained, insurance covering the risk against such loss, provided that such insurance coverage can be obtained by LANDLORD at no increase over the costs of the Builders' Risk policy upon the Leased Premises. TENANT shall notify LANDLORD, in writing, monthly, as to the amount of such insurance to be carried on TENANT's merchandise and fixtures. Such early entry by TENANT under the provisions of this paragraph shall not constitute an acceptance of possession or a waiver of any of TENANT's rights hereunder.

11.15 LANDLORD represents and warrants to TENANT that prior to the date of the opening of TENANT's retail department store for business with the general public, as provided for in this LEASE AGREEMENT, all improvements required for access to the Shopping Center, traffic signal equipment, roads and streets in the vicinity of the Shopping Center shall be installed or completed in accordance with the recommendation of traffic engineers approved by TENANT.

Within three (3) weeks after

receipt by TENANT of such plans, TENANT shall give LANDLORD written notice of any objections or its approval thereof. If TENANT shall not deliver such notice of objections thereof within such three (3) weeks' period, such plans shall be deemed to be approved as submitted. If TENANT makes reasonable objections to such plans and LANDLORD does not make the requested revisions within three (3) weeks after its receipt of TENANT's written notice that LANDLORD's failure to do so can result in TENANT's cancellation of this LEASE AGREEMENT, TENANT may terminate this LEASE AGREEMENT, effective upon delivery to LANDLORD of written notice of termination at any time within ten (10) days after such three (3) weeks' period.

12.4 Within thirty (30) days after approval by LANDLORD and TENANT of the "Preliminary" Plans and Specifications, hereinabove referred to in Paragraph 12.2 of this Article, LANDLORD shall furnish to TENANT "Semi-Final" Plans and Specifications, showing elevations of the Enclosed Mall and structural drawings of the Enclosed Mall and all Buildings connecting to TENANT's retail department store Building upon the Leased Premises, all of which shall be subject to the approval of TENANT. However, except where otherwise expressly provided, violations of any such covenants by LANDLORD shall not constitute grounds for termination of this LEASE AGREEMENT by TENANT.

12.8 The certificate of the Architect, approved by both Parties hereto, as herein provided, shall be conclusive as to the number of square feet of Floor Area and Gross Leasable Area, in each instance in which a determination thereof shall be required under the provisions of this LEASE AGREEMENT; subject, however, to the arbitration provisions of "Operation Article 40 Arbitration".

- (b) The mortgage hereinabove mentioned, to which this LEASE AGREEMENT is subordinate, and any renewals or replacements thereof, or any agreement extending or modifying the same, shall contain a provision whereby the mortgagee shall agree, acquiesce and consent to the provisions of "Operation Article 30 Leased Premises Destruction" and "General Article 36 Eminent Domain" hereof.

Article 18

Paragraph

18.1 In the event LANDLORD shall not have constructed at least:

327,602

square feet of Gross Leasable Area, excluding the Improvements on the Leased Premises, as provided in "Construction Article 12 Shopping Center Improvements", by not later than one (1) year after the beginning of the Optional Opening Term hereof, then, and in such event, TENANT shall have, and is hereby granted, the option to purchase said Shopping Center Tract, by giving LANDLORD written notice of TENANT's intention so to do, at any time within six (6) months after such one (1) year period, at a purchase price comprised of the sum of the following costs theretofore expended by LANDLORD and verified by LANDLORD's accounting records, for and upon such LANDLORD Tract:

- (a) the cost of the land; and
- (b) the cost of the Improvements, if any, then situated upon such land, including site Improvements, architectural and engineering fees;

(which sum shall be hereinafter referred to as the "Purchase Price") and upon such other terms and conditions as are set forth in this Paragraph 18.1, subject to any and all leases and other agreements appearing of record and affecting said Shopping Center Tract. TENANT, within 180 days after the date of said notice of its intention to purchase said Shopping Center Tract (which date within such 180 day period shall be, for convenience, herein called the "Delivery Date") shall forward to:

as Escrow Agent (or such substitute Escrow Agent, as may hereafter

be agreed to by LANDLORD and TENANT) as earnest money to be applied upon such "Purchase Price", a sum equal to one-tenth (1/10th) of the "Purchase Price", with instructions to such Escrow Agent to hold such funds, pending compliance by LANDLORD with the provisions of Paragraph 18.1 and 18.2.

18.2 LANDLORD shall deposit with Escrow Agent, upon such "Delivery Date", a General Warranty Deed, properly executed by LANDLORD (and any other person, firm or corporation whose signature shall be deemed necessary at such time) so as to properly convey to TENANT unencumbered title to the Shopping Center Tract, in fee simple and merchantable, with full covenants of warranty, and subject only to such exceptions as TENANT shall have previously approved. Provided that Escrow Agent shall have issued its title commitment to TENANT upon said premises, evidencing good and merchantable title in LANDLORD, subject only to exceptions approved by TENANT, Escrow Agent shall, within ten (10) days after such notice of approval by TENANT of such title commitment, notify LANDLORD and TENANT of a "Closing Date", within such ten (10) day period, and upon such "Closing Date", Escrow Agent shall deliver to TENANT the above mentioned properly executed General Warranty Deed to the Shopping Center Tract, together with an Owner's Title Insurance Policy, issued by Escrow Agent, evidencing good and marketable title to said Shopping Center Tract, subject only to such exceptions as shall have been previously approved by TENANT.

18.3 TENANT, at its option, may assume the remaining unpaid principal balance of any note secured by a first lien on the Shopping Center Tract; in which event TENANT shall thereupon deliver to LANDLORD any funds in excess of such remaining balance necessary to comprise the total "Purchase Price", as hereinabove defined, less any and all delinquent interest and taxes, if any, and prorated closing items herein provided to be chargeable to LANDLORD. TENANT shall pay the closing costs incurred or charged by the Escrow Agent for an Owner's Title Insurance Policy, drawing the closing instruments, escrow fee, revenue stamps, if any, and recording fees in connection with the acquisition of the Shopping Center Tract.

18.4 Upon such "Closing Date", LANDLORD shall deliver its deed, conveyance, assignment or release to TENANT of all of LANDLORD's right, title and interest to any agreements, documents, books, records and instruments in any way pertaining to the said Shopping Center.

18.5 In the event that Escrow Agent shall be unable to issue its title commitment evidencing good and marketable title to said Shopping Center Tract, or in the event that TENANT shall be unable to approve such exceptions as shall be set forth in such title commitment, then, and in either of such events, Escrow Agent shall forthwith refund to TENANT, upon TENANT's written request therefor, any and all funds theretofore deposited with Escrow Agent under the provisions of Paragraphs 18.1 and 18.2.

18.6 In the event that LANDLORD, upon the existence of the above mentioned option in TENANT, and upon TENANT's compliance with the provisions of Paragraphs 18.1 and 18.2 above, shall fail to consummate the sale of the Shopping Center Tract for any reason except TENANT's default under said Paragraphs 18.1 and 18.2, TENANT may enforce specific performance of such provisions or may bring suit for damages against LANDLORD.

18.7 In the event that TENANT, upon LANDLORD's compliance with the provisions of Paragraphs 18.1 and 18.2 (under the circumstances therein recited to be necessary to vest said option in TENANT) shall fail to consummate the purchase of the Shopping Center Tract for any reason except such as are hereinabove set forth in Paragraph 18.3, or except LANDLORD's default under the provisions of Paragraphs 18.1 and 18.2, LANDLORD shall have the right to receive and retain the funds deposited by TENANT with Escrow Agent under the provisions of Paragraph 18.1 as liquidated damages, or LANDLORD may, at its option, enforce specific performance of said Paragraphs 18.1 and 18.2.

Paragraph

27.1 LANDLORD shall pay all taxes and assessments of every nature, kind and description, levied and assessed against the Shopping Center Tract and all Improvements thereon, including the Leased Premises, as the same become due, from time to time, during the Term of this LEASE AGREEMENT.

27.2 In the event LANDLORD fails to pay said taxes and assessments, as aforesaid, before the same become delinquent, or TENANT's peaceable possession of the Leased Premises granted under this LEASE AGREEMENT is threatened on account thereof, then, unless LANDLORD immediately pays such taxes and assessments upon being requested to do so by TENANT, TENANT may pay said taxes and assessments. In such event, LANDLORD shall, upon demand, reimburse TENANT for such payment in the manner provided in "Operation Article 32 TENANT's Right of Reimbursement".

27.3 In the event the imposition of any ad valorem taxes upon the Shopping Center Tract and any Improvements thereon, including the Leased Premises, shall be deemed by LANDLORD to be improper, illegal or excessive, LANDLORD may, if it so elects, at LANDLORD's expense, dispute and contest the same, and, in such case, such taxes need not be paid until adjudged to be valid; provided, however, that LANDLORD shall protect, defend and hold TENANT harmless from any such adjudication or the failure to pay such taxes. TENANT's quiet and peaceable possession of the Leased Premises shall not, in any event, be disturbed thereby.

27.4 Notwithstanding the other provisions of this Article, in the event the general ad valorem real estate taxes levied and assessed by all taxing districts and authorities (excluding taxes on rent, if any) against the

Leased Premises and paid by LANDLORD for any calendar year of the Term hereof after the fourth (4th) full calendar year of said Term are increased to an amount of money which exceeds the amount of money equal to the actual amount of taxes assessed or paid for the third (3rd) full calendar year of the Term hereof, whichever is the greater, then TENANT shall pay to LANDLORD an amount of money equal to such increase in taxes, within thirty (30) days after receipt by TENANT of satisfactory evidence showing such taxes paid by LANDLORD for the third (3rd) full calendar year of the Term hereof and for the year in which such increase in taxes is claimed by LANDLORD, provided that:

- (1) LANDLORD shall furnish to TENANT such evidence of paid taxes not later than the first day of June of the year next following the year of said increase, if any;
- (2) The valuation placed by said taxing districts and authorities upon the Leased Premises for the year of such increase shall be consistent, uniform and in line with the valuation placed on surrounding or like properties;

(4) TENANT shall have the right, in LANDLORD's name, but at TENANT's expense, to contest the validity or amount of such taxes levied or assessed against the Leased Premises for the calendar year of 1978 or any subsequent year of the Term hereof, conditioned that TENANT will take appropriate legal proceedings which operate to prevent the collection of said taxes, or any part thereof, to satisfy the same, and pending such legal proceedings, LANDLORD shall have the right to pay, remove or discharge the taxes being contested; TENANT agrees to pay any interest and penalty accruing by reason of TENANT's election to contest such taxes, provided that LANDLORD has complied with his obligations under this paragraph.

27.5 LANDLORD hereby agrees to reimburse TENANT for TENANT's payment to LANDLORD incurred in the event of increase in taxes, hereinabove provided for in Paragraph 27.4. It is understood and agreed that said reimbursement shall be calculated separately and independently for each "Lease Year" and, further, that said reimbursement shall not be cumulative from one "Lease Year" to another "Lease Year".

27.6 It is understood and agreed that as used in this Article the term "the real estate taxes and assessments of every nature, kind and description levied and assessed by all taxing districts and authorities (excluding taxes on rent, if any) against the Leased Premises" shall mean:

The amount of the real estate taxes and assessments of every nature, kind and description levied and assessed by all taxing districts and authorities (excluding taxes on rent, if any) against the Shopping Center Tract multiplied by a fraction, the numerator of which is the Gross Leasable Area in the Leased Premises and the denominator of which is the Gross Leasable Area, plus the total of the square feet in the area of each level of the Enclosed Mall, upon the Shopping Center Tract.

Article 28 Insurance

Paragraph

28.1 LANDLORD shall, effective with the completion of construction of each Building, the Enclosed Mall and all other improvements upon the Shopping Center Tract (including the Leased Premises), and thereafter during the Term of this LEASE AGREEMENT, continuously keep, or arrange to keep, all Buildings, the Enclosed Mall and all the other Improvements upon the Shopping Center Tract insured, at no expense to TENANT, against loss or damage by fire and such other risks as are from time to time included in the extended coverage of insurance policies issued in the locality of the Shopping Center. Said insurance shall be in amounts at least sufficient to avoid the effects of co-insurance provisions of the policies, that is, not less than 80% of the actual replacement costs excluding the costs of foundations, underground flues, pipes and drains, if such costs are properly excludable under current co-insurance requirements.

28.2 Each Party hereby waives any and every claim which arises, or may arise, in its favor and against the other Party during the Term of this LEASE AGREEMENT, for any and all loss of, or damage to, any of its property located within or upon, or constituting a part of, the Shopping Center, which loss or damage is covered by valid and collectible fire and extended coverage insurance policies, to the extent that such loss or damage is recoverable under said insurance policies. Said mutual waivers

shall be in addition to, and not in limitation or derogation of, any other waiver or release regarding any loss of, or damage to, the said property of any Party. Inasmuch as the said mutual waivers will preclude the assignment of any such claim by way of subrogation (or otherwise) to an insurance company (or any other person, firm or corporation) each Party shall give to each insurance company, which has issued to it, policies of fire and extended coverage insurance, written notice of the terms of said mutual waivers, and shall have said insurance policies properly endorsed, if necessary, to prevent invalidation of said insurance coverages by reason of said waivers.

28.3 At all times during the Term hereof, TENANT shall, at its sole expense, continuously maintain Comprehensive General Liability Insurance and Contractual Liability Insurance, endorsed to cover personal injury, covering the Building, or Buildings, Outdoor Selling Area, if any, and the landscaping, if any, between the exterior perimeter wall of Buildings and Building Perimeter Sidewalk, on its Tract within the Shopping Center Tract. - (2) \$2,000,000 for death of, or bodily injury to, or personal injury to, more than one person, on or resulting from one occurrence; and
- (3) property damage to the limit of not less than \$500,000 for each occurrence;

Each Party shall, upon request of the other Party, furnish certificates of such insurance or other satisfactory written evidence of such insurance at any time during the Term hereof. Any policy required hereunder shall provide that such policy shall not be cancellable without at least ten (10) days' prior written notice to the Parties hereto.

28.4 At all times during the Term hereof, LANDLORD shall continuously maintain Comprehensive General Liability Insurance and Contractual Liability Insurance, endorsed to cover personal injury (including false arrest), covering the Common Area and the Enclosed Mall in the Shopping Center. Such insurance shall afford protection to LANDLORD and TENANT, as named insureds, to the limit of not less than:

- (1) \$2,000,000 for death of, or bodily injury to, or personal injury to, one person;
- (2) \$2,000,000 for death of, or bodily injury to, or personal injury to, more than one person, on or resulting from one occurrence; and
- (3) property damage to the limit of not less than \$500,000 for each occurrence;

LANDLORD shall deliver to TENANT a copy of said insurance policies, or certificates or other documents evidencing their existence, on or prior to the beginning of the Term, and thereafter, not less than fifteen (15) days prior to the expiration dates of the expiring policy, or policies, during the Term. Any policy required hereunder shall provide that such policy shall not be cancelled without at least ten (10) days' prior notice to TENANT.

28.5 TENANT shall have the right, at its option, to comply with and satisfy its obligations under this Article, by means of self-insurance, but only as and to the extent that any self-insurance is guaranteed by Sears, Roebuck and Co. to LANDLORD.

29.2 TENANT shall keep the Leased Premises in a clean condition, according to city ordinances and the direction of the proper public officers during the Term hereof, and upon the termination of this LEASE AGREEMENT will deliver said Leased Premises to LANDLORD; subject to the provisions of Paragraphs 29.7, 29.8 and 29.9.

29.3 For the immediate protection of property or prevention of injury, TENANT shall have the right, at all times, at its sole option, without prior notice to LANDLORD, to make such reasonable emergency repairs or replacements to and upon the Leased Premises, as TENANT shall deem necessary, and the further right (if the same are LANDLORD's obligations under the provisions and conditions hereof and if the same are not necessitated by the fault or neglect of TENANT) to recover the cost thereof from LANDLORD in the manner hereinafter provided in "Operation Article 32 TENANT's Right of Reimbursement".

29.4 In addition to the maintenance of the Common Area and the Enclosed Mall, herein provided in this Article to be done by LANDLORD, LANDLORD shall, at its sole expense, keep the roof, foundations, exterior walls, floors (excluding floor coverings), sprinkler systems, and structural parts, and all items contained in said roof, foundations, exterior walls and floors of the Leased Premises in good condition and repair during the Term hereof, and make all repairs and replacements thereon which become necessary for any reason, unless the same shall be necessitated by the fault or negligence of TENANT.

29.5 LANDLORD further covenants that, in the event the Improvements or repairs to be made by LANDLORD upon the Leased Premises, if any, as in this LEASE AGREEMENT provided, or any part, or parts, thereof, are not completed in the time and manner herein provided, or prove at any time, in the case of Improvements during the first (1st) year of the Term hereof, and in the case of repairs, to be defective as to workmanship or materials, LANDLORD will, without delay, cure such defects and defaults without cost to TENANT. However, irrespective of the time limits stipulated in the foregoing sentence, LANDLORD shall cure all defects and defaults as to workmanship and materials which are covered by guaranties or warranties, regardless of the item covered by such guaranties or warranties, or the time at which such defect and default became known to LANDLORD or TENANT.

29.6 If LANDLORD fails to make or complete said Improvements or such repairs as LANDLORD is herein obligated to make, or to cure the defects which are in this LEASE AGREEMENT provided to be cured by LANDLORD, and thereupon LANDLORD becomes in default under Paragraph 41.10 of this LEASE AGREEMENT, then, TENANT shall have the right, at its sole option, without further notice to LANDLORD, to make or cure the same. LANDLORD agrees, upon demand, to reimburse TENANT for TENANT's expense incurred thereby, in the manner provided in "Operation Article 32 TENANT's Right of Reimbursement".

29.7 Except as hereinafter expressly provided, from and after the completion of construction of the Leased Premises, LANDLORD shall operate and maintain, or cause to be operated and maintained, the Enclosed Mall and the Common Area in good order, condition and repair, during the Term hereof. In such operation and maintenance, LANDLORD shall observe the following standards:

- (1) Maintain the surface of the Parking Spaces, the Enclosed Mall and sidewalks level, smooth and evenly covered with the type of surfacing material originally installed thereon, or such substitute thereof as shall be, in all respects, equal thereto in quality, appearance and durability;
- (2) Remove all papers, debris, filth and refuse and wash or thoroughly sweep paved areas as required and remove and clean all ice and snow;
- (3) Maintain such appropriate parking area entrance, exit and directional signs, markers and lights, as shall be reasonably required and in accordance with good first-class regional shopping center practices;
- (4) Clean lighting fixtures and relamp as needed;
- (5) Repaint striping, markers, directional signs, etc., as necessary, to maintain in first-class condition;
- (6) Maintain landscaping, as necessary, to keep in a first-class condition;

- (7) Employ courteous and uniformed personnel for security patrol during store hours and such other hours as are deemed necessary by the Parties;
- (8) Clean signs of the Shopping Center (as contrasted with those of Occupants) including relamping and repairs being made as required;
- (9) Maintain and keep in a sanitary condition public restrooms, if any, and other common use facilities; and
- (10) Clean, repair and maintain all Common Utility Facilities to the extent that the same are not cleaned, repaired and maintained by public utilities.

29.8 LANDLORD shall bill TENANT and TENANT shall pay LANDLORD for the operation and maintenance of the Enclosed Mall and the Common Area by the LANDLORD, as required by the amount of money determined annually by multiplying the number of square feet of Gross Leasable Area in the Leased Premises for retail department store use (excluding the Gross Leasable Area in TENANT's automobile, tire and battery accessory (TBA) service station and excluding the Gross Leasable Area in the Leased Premises for warehouse use) by:

TWENTY-FIVE CENTS (25¢)

during the first five (5) years of the Term hereof. After the fifth (5th) full calendar year of operation of the Enclosed Mall, the Common Area and a retail department store in the Leased Premises, said billing shall be adjusted for each five (5) year period of such operation during the remaining Term of this LEASE AGREEMENT, by use of the Consumer Price Index, All Items (1967=100) issued by the U. S. Bureau of Labor Statistics Section of the Monthly Labor Review with the final index as base (hereinafter called "Index"), multiplying the amount of said billing by a fraction, the numerator of which is the Index for the first full calendar year immediately preceding the five year period of said adjustment, and the denominator of which is the Index for the first full calendar year immediately after the calendar year in which TENANT opens for business; provided further, that any such adjustment shall not exceed 25% of the billing for the period immediately prior to the period of adjustment.

29.9 Such billing, however, shall be monthly and based upon LANDLORD's actual cost and expense of the previous month's operation, during which TENANT's retail department store was open to, and doing business with, the general public upon the Leased Premises, subject to the limitation set out in the preceding paragraph. At the end of each twelve (12) months' period, after the date TENANT's retail department store is open for business with the general public, LANDLORD shall render to TENANT a full and complete itemized statement of such operation and maintenance cost and expense, certified accurate by a duly authorized representative of LANDLORD. TENANT shall have the right, at its sole expense, exercisable upon ten (10) days' notice to LANDLORD, to request and make an audit of such books and records of account, as pertain to any such statement.

29.10 Unless the Parties otherwise consent and agree, in writing, no charge of any type shall be made to, or collected from, any Occupant or any Permittee for parking, or the right to park vehicles in the Parking Spaces. Permittees shall not be prohibited or prevented from so parking so long as Parking Spaces are available, and so long as they do not violate the reasonable rules and regulations covering the use of the Parking Spaces promulgated from time to time by the Parties. The Parties shall, by mutual agreement, prescribe certain sections within the Common Area, or on other land outside the Common Area within a reasonable distance from the nearest boundary of the Shopping Center, for use as Parking Spaces for the employees, contractors, licensees and concessionaires to use only such sections as are so prescribed for parking. Each Party agrees to use reasonable efforts to enforce the provisions hereof.

Article 30  
Leased Premises Destruction

Paragraph

30.1 During the Term hereof, LANDLORD shall, at its own expense, promptly rebuild, restore and repair the Leased Premises to substantially the same condition in which the Leased Premises existed immediately prior to the date the Leased Premises are damaged, destroyed or rendered unfit for its accustomed uses, by reason of fire, explosion, tornado, earthquake or any other casualty (regardless of whether or not caused by TENANT's negligence), subject to Paragraphs 30.2, 30.3 and 30.4 of this Article.

30.2 During the last:

TWENTY (20)

years of the Term hereof, LANDLORD shall have the right to terminate this LEASE AGREEMENT effective as of the date of any casualty, by giving written notice of such termination to TENANT within forty-five (45) days of the date of said casualty; provided that the Leased Premises are damaged, destroyed or rendered unfit for its accustomed uses to the extent of more than

FIFTY PERCENT (50%)

when said percentage is determined in the manner described in Paragraph 30.2; except that LANDLORD shall not have said right to terminate this LEASE AGREEMENT under the provisions of this Paragraph, in the event TENANT shall, within thirty (30) days from the date of said casualty, give written notice that TENANT intends to remain on the premises an additional five (5) years from the date of TENANT's acceptance of the completion of the rebuilding, restoration and repairing of the Leased Premises to substantially the same condition in which it existed immediately prior to said casualty; subject to Paragraph 30.4 of this Article.

30.3 During the period of time from the date of any casualty to the date of termination of this LEASE AGREEMENT under the provisions of this Article, or to the date of TENANT's acceptance of the completion of the rebuilding, restoration and repairing of the Leased Premises to substantially the same condition in which it existed immediately prior to said casualty, all rent and all other charges, such as Common Area and Mall Maintenance charges payable by TENANT under this LEASE AGREEMENT, shall abate in the proportion that the part of the Leased Premises damaged, destroyed or rendered unfit for its accustomed uses bears to the total Leased Premises.

30.4 The policy, or policies, of fire and casualty insurance required pursuant to Article 28 hereof shall contain a clause providing that any loss under the same shall be payable, subject to the limitations set forth in this Article, to the institutional holder of the mortgage herein-after referred to in Article 13, as Trustee; it being understood, however, that all amounts collected on any such policy, or policies, shall be made available to LANDLORD for the reconstruction or repair of any Building, or Buildings, and other Improvements hereafter constructed upon the Leased Premises, which may thereafter be damaged or destroyed, and shall be paid out to LANDLORD by the said Trustee, from time to time, as the work of rebuilding, reconstruction and repair shall progress, upon certificates of architects licensed to do business in the State of:

OKLAHOMA

showing the application of the amount paid for such repairs, rebuilding or restoration.

30.5 In the event the damage is so small that the insurance award is for less than \$50,000.00, then the insurance proceeds shall be paid directly over to LANDLORD without the necessity of payment to the Trustee, as otherwise provided for in this Article. However, the agreement of direct payment

*E  
Ee*

shall not be construed as relieving LANDLORD of the necessity of repairing such damage in accordance with the provisions hereof. If there shall be any excess proceeds of an insurance award remaining with the Trustee after the reconstruction or repair of such Building, or Buildings, or other Improvements, and if there shall then be no default on the part of LANDLORD in the performance of its covenants herein contained, then, and in both of such events, it is agreed that such excess proceeds, if any, shall be paid to LANDLORD.

30.6 In the event the LANDLORD fails to promptly repair, rebuild or restore the Leased Premises, as hereinabove provided in this Article, then TENANT shall have the right to terminate this LEASE AGREEMENT, by giving LANDLORD thirty (30) days' prior written notice of such termination. In the alternative, TENANT, at its sole option, after prior written notice to LANDLORD may repair, rebuild or restore said Leased Premises. If TENANT does so repair said Leased Premises, it shall have all the rights to collect insurance proceeds hereinabove granted to LANDLORD under the provisions of this Article, provided that TENANT shall use, for the purpose of repairing, rebuilding or restoring, all or so much as may be necessary, of such insurance proceeds payable by reason of damage or destruction to the Leased Premises. TENANT shall account to LANDLORD for excess insurance proceeds, if any, remaining after such repairing, rebuilding or restoring. In addition, TENANT shall have all rights provided in Article 32 with respect to any sum for which it is not reimbursed out of such insurance proceeds.

31.2 During the last Twenty (20) years of the Term hereof, either Party shall have the right to terminate this LEASE AGREEMENT, effective as of the date of any casualty, by giving written notice of such termination to the other Party within thirty (30) days from the date of said casualty; provided that the Shopping Center Improvements are damaged, destroyed or rendered unfit for its accustomed uses to the extent of more than:

FIFTY PERCENT (50%)

when said percentage is determined by dividing the cost to replace the Improvements of the Shopping Center damaged, destroyed or rendered unfit for its accustomed uses, by the market value of the total Improvements of the Shopping Center immediately prior to said casualty, as said cost and market value are disclosed by certification of a reputable building contractor acceptable to both Parties, or if no acceptable contractor be agreed upon, then the certification of an architect who is acceptable to both Parties and who is a member of the local chapter of the American Institute of Architects.

TEN PERCENT (10%)

from the date of the opening of TENANT's retail department store for business with the general public upon the Leased Premises (and at least one other retail department store from one (1) year after the date of said opening) and for as long thereafter as any retail department store is so opened for business upon the Leased Premises, but in any event, for a period of not longer than:

TWENTY-FIVE (25) YEARS

except if TENANT or its assignee shall be operating upon the Leased Premises.

33.2 The provisions of this Article shall be subject to all the provisions of this LEASE AGREEMENT, such as the provisions of "General Article 36 Eminent Domain" and "Operating Article 31 Shopping Center Improvements Destruction". Any failure to comply with the provisions of this Article for temporary periods of time during which the Landlord Building, or any part thereof, is uninhabitable because of fire or other casualty, or such Building is closed because of acts beyond LANDLORD's control, shall not be deemed a default under the provisions of this Article, for so long as diligent efforts are being made to restore such Building, if possible, to the condition in which it was just prior to the happening of such casualty or act.

33.3 Throughout the Term of the operating period,  
LANDLORD shall provide, or cause to be provided, a resident

34.2 The provisions of this Article shall be subject to all the provisions of this LEASE AGREEMENT, such as the provisions of "General Article 36 Eminent Domain" and "Operation Article 30 Leased Premises Destruction". Any failure to comply with the provisions of this Article for temporary periods of time, during which the TENANT Building, or any part thereof, is uninhabitable because of fire or other casualty, or such Building is closed because of acts beyond TENANT's control, shall not be deemed a default under the provisions of this Article, for so long as diligent efforts are being made to restore such Building, if possible, to the condition in which it was just prior to the happening of such casualty or act.

General

Article 35 Force Majeure

In the event that LANDLORD or TENANT shall be delayed, hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor disputes, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, the act, failure or default of the other Party, war or other reason beyond their control, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, but in no event for a period of more than one (1) year.

General

Article 36 Eminent Domain

Paragraph

36.1 In the event that all, or a substantial part (more than thirty percent (30%) of the Floor Area, or more than ten percent (10%) of the Floor Area devoted to selling activity, upon the Leased Premises) and/or all, or a substantial part of the Common Area (more than ten percent (10%) of the Parking Spaces) within 300 lineal feet of the Leased Premises (unless LANDLORD replaces said Parking Spaces upon land contiguous to, or adjacent to, the Shopping Center Tract) should be taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, then, and in either or any of such events, this LEASE AGREEMENT shall terminate. TENANT shall thereupon be released from any further liability hereunder, except for rent and any obligations provided for in this LEASE AGREEMENT theretofore accrued. Such termination shall be effective, at TENANT's option, either on the date notice of the condemning authority's intention to take such property shall have been received by LANDLORD or at any time thereafter, by giving LANDLORD at least thirty (30) days' written notice of TENANT's intention so to terminate. LANDLORD shall repay to TENANT any unearned rent and Common Area and Mall maintenance charges theretofore paid to LANDLORD in advance.

36.2 In the event that less than thirty percent (30%) of the Floor Area and/or less than ten percent (10%) of the Floor Area devoted to selling activity upon the Leased Premises and/or a portion, not in excess of ten percent (10%) of the

Parking Spaces within 300 lineal feet of the Leased Premises (unless LANDLORD replaces said Parking Spaces upon land contiguous to, or adjacent to, the Shopping Center Tract) should be taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, then, and in either or any of such events, this LEASE AGREEMENT shall not terminate; however, the rent then payable hereunder and Common Area and Mall maintenance charges payable hereunder during the unexpired portion of the Term hereof shall be reduced in proportion to the area taken, effective upon the date physical possession is taken by the condemning authority.

36.3 In the event that any part of the Common Area (not in close proximity to the Leased Premises) should be taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, this LEASE AGREEMENT shall not terminate, nor shall the rent or Common Area or Mall maintenance charges payable hereunder be reduced, nor shall TENANT be entitled to any part of the award made for such taking, except that LANDLORD or TENANT may terminate this LEASE AGREEMENT if the part of the Common Area remaining, following such taking, plus any additional Parking Spaces provided by LANDLORD in reasonable proximity to the Shopping Center shall be less than seventy-five percent (75%) of the original amount of the Common Area in said Shopping Center.

36.4 Any election to terminate this LEASE AGREEMENT, following condemnation notices, shall be evidenced by written notice of termination delivered to the other Party in accordance with the requirements for giving notices, as herein-after provided in "General Article 42 Notices".

36.5 In the event that this LEASE AGREEMENT is not terminated following a partial condemnation, all of the covenants, conditions and provisions hereof shall continue in full force and effect; provided, however, that LANDLORD shall, at LANDLORD's sole expense, commence promptly and prosecute with diligence the making of all necessary repairs, alterations and improvements to all Buildings which have been partially taken, in order to constitute the remaining part of the Leased Premises and Shopping Center as a complete architectural unit in accordance with Plans and Specifications therefor, which shall be approved by TENANT prior to any such repairs and/or alterations. Such approval shall not be unreasonably withheld.

36.6 In the event that there shall be any temporary taking of any part of the Shopping Center, including the Leased Premises, by any governmental authority, for any reason, such as quartering National Guard Troops during a civil riot, and such temporary taking unreasonably interferes with the rights granted under this LEASE AGREEMENT to either Party, then the covenants under this LEASE AGREEMENT shall be, as applicable, suspended for the period of time of such temporary taking.

36.7 All compensation awarded for any taking (or the proceeds of private sale in lieu thereof) whether for the whole or a part of the Leased Premises, shall be the property of LANDLORD and TENANT as their respective interests may then appear in any such award to LANDLORD, it being agreed

that TENANT shall participate in such award to LANDLORD to the extent of TENANT's investments, if any, in the Building, or Buildings, upon the Leased Premises, according to the then value of the portions thereof belonging to TENANT. LANDLORD shall have no interest in any award made to TENANT for loss of business or for the taking of TENANT's fixtures and equipment within the Leased Premises, for which the condemning authority shall make a separate award for such items to TENANT.

36.8 Any dispute arising under this Article shall be settled by agreement, if possible, otherwise by Arbitration as set forth in "General Article 40 Arbitration".

General

Article 37 Default

Paragraph

37.1 In the event any one or more of the following events shall have occurred and shall not have been remedied, as hereinafter provided:

- (1) TENANT's failure to pay any installment of Base Rent, or Percentage Rent, when the same shall be due and payable and the continuance of such failure for a period of thirty (30) days after receipt by TENANT of notice, in writing, from LANDLORD, specifying in detail the nature of such failure; or
- (2) TENANT's failure to perform any of the other covenants, conditions and agreements herein contained on TENANT's part to be kept or performed and the continuance of such failure without the curing of same for a period of forty-five (45) days after receipt by TENANT of notice, in writing, from LANDLORD, specifying in detail the nature of such failure, and provided TENANT shall not cure said failure as provided in Paragraph 37.2 of this Article;

E  
EW

then, LANDLORD may, at its option, give to TENANT a notice of election to end the Term of this LEASE AGREEMENT upon a date specified in such notice, which date shall be not less than ten (10) business days (Saturdays, Sundays and legal holidays excluded) after the date of receipt by TENANT of such notice from LANDLORD, and upon the date specified in said notice, the Term and estate hereby vested in TENANT shall cease and any and all other right, title and interest of TENANT hereunder shall likewise cease without further notice or lapse of time, as fully and with like effect as if the entire Term of this LEASE AGREEMENT had elapsed, but TENANT shall continue to be liable to LANDLORD, as hereinafter provided.

37.2 In the event that LANDLORD gives notice of a default of such a nature that it cannot be cured within such forty-five (45) day period, then such default shall not be deemed to continue so long as TENANT, after receiving such notice, proceeds to cure the default as soon as reasonably possible and continues to take all steps necessary to complete the same within a period of time which, under all prevailing circumstances, shall be reasonable. No default shall be deemed to continue if and so long as TENANT shall be delayed in, or prevented from, curing the same by any cause specified in "General Article 35 Force Majeure":

37.3 Notwithstanding anything to the contrary contained in this Article, in the event that any default of TENANT shall be cured in any manner hereinabove provided, such default shall be deemed never to have occurred and TENANT's rights hereunder shall continue unaffected by such default.

37.4 Upon termination of the Term of this LEASE AGREEMENT pursuant to Paragraph 37.1 of this Article, or at any time thereafter, LANDLORD may, in addition to, and without prejudice to any other rights and remedies LANDLORD shall have at law or in equity, re-enter the Leased Premises and recover possession thereof and dispossess any or all Occupants of the Leased Premises in the manner prescribed by the statute relating to summary proceedings, or similar statutes; but TENANT, in such case, shall remain liable to LANDLORD, as hereinafter provided.

37.5 In case of any such default, re-entry, expiration and/or dispossess by summary proceedings:

- (1) The rent shall become due thereupon and be paid up to the time of such re-entry expiration and/or dispossess;
- (2) LANDLORD may relet the Leased Premises, or any part, or parts, thereof, either in the name of LANDLORD, or otherwise, for a term, or terms, which may, at LANDLORD's option, be less than, or exceed the period which would otherwise have constituted the balance of the Term of this LEASE AGREEMENT and may grant concession or free rent; and
- (3) TENANT, or the legal representative of TENANT, shall also pay LANDLORD, as liquidated damages, for the failure of TENANT to observe and perform TENANT's covenants herein contained, any deficiency between the rent hereby reserved and/or covenanted to be paid and the net amount, if any, of the rents collected on account of the lease, or leases, of the Leased Premises for each month of the period which would otherwise have constituted the balance of the Term of this LEASE AGREEMENT.

In computing such liquidated damages, there shall be added to the said deficiency such reasonable expenses as LANDLORD may incur in connection with reletting, such as brokerage and preparation for reletting. Any such liquidated damages shall be paid in monthly installments by TENANT on the rent~~s~~day specified in this LEASE AGREEMENT, and any suit brought to collect the amount of the deficiency for any month shall not prejudice, in any way, the rights of LANDLORD to collect the deficiency for any subsequent month by similar proceeding. LANDLORD, at LANDLORD's option, may make such alterations, repairs, replacements and/or decorations in the Leased Premises as LANDLORD, in LANDLORD's sole judgment, considers advisable and necessary for the purpose of re-letting the Leased Premises and the making of such alterations, repairs, replacements and/or decorations shall not operate or be construed to release TENANT from liability hereunder, as aforesaid. LANDLORD agrees to use its best efforts to mitigate all damages and to re-let the Leased Premises in the event of any default specified herein.

General

Article 38 Assignment

Paragraph

38.1 At any time after:

FIFTEEN (15)

years from and after commencement of the Term hereof, TENANT shall have the right to assign this LEASE AGREEMENT or sublet the Leased Premises, or any part thereof, for retail purposes customary to regional shopping centers, but TENANT shall remain responsible only for the payment of annual rent which shall be "the average annual rent for the immediate preceding three (3) Lease Years", plus the amount of tax reimbursement payable to LANDLORD by TENANT under the provisions of Paragraphs 27.4, 27.5 and 27.6 in "Operation Article 27 Taxes"; Percentage Rent, if any, under 8.1 and for the payment of the Common Area and Mall maintenance charge hereinabove provided for in "Operation Article 29 Maintenance". Any assignment by TENANT shall be by written document in recordable form with a conformed copy of this LEASE AGREEMENT attached thereto.

38.2 TENANT shall further remain responsible for the performance of all the covenants herein contained to be performed by TENANT, in no event, however, beyond the original Term of this LEASE AGREEMENT. TENANT, and any Party to whom this LEASE AGREEMENT may be assigned or said Leased Premises subleased, as aforesaid, shall have the right to make such non-structural changes, alterations and improvements and to install such electric, store and other fixtures and equipment, on or about the Leased Premises, and any assignee or sublessee shall have the right to post or attach only such signs as shall comply with "Operation Article 25 Signs" hereof (provided, however, that TENANT shall not permit

any laborers', mechanics' or materialmen's liens to attach to the Leased Premises by reason thereof, and TENANT shall not make any major alterations affecting the structure of said Buildings without the prior written consent of LANDLORD). All signs, floor covering and all electric, store and other fixtures and equipment, which may be installed, placed or attached in or about the Leased Premises by TENANT or any assignee or sublessee of TENANT shall always remain the property of TENANT or of the assignee or sublessee of TENANT so installing, placing or attaching the same; and upon termination by expiration of time or otherwise of this LEASE AGREEMENT, or at any time or times, TENANT or such assignee or sublessee of TENANT, shall, if it desires to do so be permitted to remove all or any of said signs, fixtures and equipment so installed, placed or attached; provided, however, that any damage caused to the Leased Premises by reason of such removal shall be repaired by TENANT or its assignee or sublessee so removing the same.

38.3 LANDLORD shall not sell, assign or convey any part of the Shopping Center Tract or any part of its interest in this LEASE AGREEMENT, prior to the date the construction of the Shopping Center is completed and the Shopping Center is open for business with the general public. After said date, LANDLORD shall have the right to sell, assign or convey any part of the Shopping Center Tract or any part of its interest in this LEASE AGREEMENT, provided the assignee of this LEASE AGREEMENT is an experienced and reputable shopping center firm or company approved by TENANT, which approval shall not be unreasonably withheld, and such assignee shall execute a written document, in recordable form, in which it shall assume all of the duties and obligations of the LANDLORD, as set out under this LEASE AGREEMENT; and thereupon, LANDLORD shall be released from all of its obligations hereunder accruing thereafter.

Article 39 Indemnity

Paragraph

39.1 TENANT shall indemnify and save harmless LANDLORD from and against any and all liability, damage, penalties or judgments arising from injury to person or property situated by any one in and about the Leased Premises, resulting from any act, or acts, or omission, or omissions, of TENANT, or TENANT's officers, agents, servants, employees, contractors, or sublessees. TENANT shall, at its own cost and expense, defend any and all suits or actions (just or unjust) which may be brought against LANDLORD, in which LANDLORD may be impleaded with others upon any such above mentioned matter, claim, or claims, except as may result from the acts set forth in Paragraph 39.2 of this Article.

39.2 Except for its affirmative acts or negligence or the affirmative acts or negligence of its officers, agents, servants, employees or contractors, LANDLORD shall not be responsible or liable for any damage or injury to any property, fixtures, building or other Improvements, or to any person, or persons, at any time on the Leased Premises, including any damage or injury to TENANT or to any of TENANT's officers, agents, servants, employees, contractors, customers or sublessees.

Article 40 Arbitration

Paragraph

40.1 Whenever, under the provisions of this LEASE AGREEMENT, there is any matter in dispute which cannot be settled by agreement of the Parties, either Party desiring arbitration (hereinafter called "First Party") shall give the other Party (hereinafter called "Second Party") written notice to that effect, describing the matter in dispute to be determined by arbitration, and naming an arbitrator to act for First Party. Unless such matter shall be agreed upon between the Parties in the interim, the Second Party, within ten (10) days after receipt of such notice, shall name an arbitrator to act for Second Party by a written notice to First Party and, concurrently therewith, by notices, in writing, shall notify each of said arbitrators of their obligation to appoint a third arbitrator. The two arbitrators so appointed shall, within thirty (30) days thereafter, appoint a third arbitrator and make all necessary arrangements for conducting such arbitration.

40.2 If Second Party shall fail or refuse to name an arbitrator, the arbitrator appointed by First Party shall act as sole arbitrator, or, at his option, shall appoint an arbitrator to act for the Second Party. In the event the arbitrator appointed by First Party shall be the sole arbitrator, his decision shall be final and conclusive upon the Parties. In the event the three arbitrators are appointed, in either of the manners set forth in this Article, the decision of any two of said three arbitrators shall be final and conclusive upon the Parties. In the event the first two arbitrators appointed shall fail to appoint a third arbitrator within thirty (30) days of the appointment of the second arbitrator, or in the event any arbitrator appointed shall become incapacitated, die or resign, or refuse to act, at any time before the complete determination of the matter in dispute, a Judge of competent local jurisdiction shall appoint an arbitrator to fill the vacancy of the arbitrator not appointed or not acting.

40.3 The cost and expense of the arbitrators and the arbitration proceeding shall be paid and shared by the Parties equally. The decision of the arbitrators shall be in writing, a signed copy thereof shall be delivered to each Party and shall be made as promptly as possible after their appointment, but in no event, later than thirty (30) days after the date of appointment of the third arbitrator. If the said arbitrators so appointed do not make a binding decision within said thirty (30) day period, the appointment of the third arbitrator shall be deemed revoked, a new third arbitrator shall be appointed, as provided in Paragraph 40.1 of this Article, and the three arbitrators so appointed shall again act in the same manner and within the same time limits as though the third arbitrator had not previously been appointed.

40.4 In the alternative, either Party may elect that: Any dispute, controversy or claim arising out of, or relating to this LEASE AGREEMENT, or the breach thereof, shall be settled by arbitration in accordance with the Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator, or Arbitrators, may be entered in any court having jurisdiction thereof.
